

## Lambeth Arena COVID-19 Protocol

All visiting participants and spectators must complete the City of London Health Screening using the QR code. The completed screening along with proof of vaccination (where applicable) must be shown to the city staff to gain entry. Those who do not have access to a smartphone can continue to use the paper City of London Health Assessment form (available at the arena).

Arena is now at 100% spectator capacity. **NO IN AND OUT PRIVILEGES**

As per provincial regulations, the City of London requires all spectators over the age of 12 to provide proof of vaccination. A current vaccination receipt and valid piece of identification are required for entry. Please visit the City of London website for full details <https://london.ca/VaccineProof>

**\*\*Effective Sunday, October 31<sup>st</sup> everyone 12 and over will be required to show proof of double vaccination. THIS INCLUDES PLAYERS, COACHES, OFFICIALS and VOLUNTEERS\*\***

Teams will be allowed entry 30 minutes prior to game time. Teams must exit the arena 15 minutes after their game is over.

Masks are required at all times within the arena and in the dressing room. Prior to going on the ice, players may remove their mask. Coaches and bench staff must wear a mask.

Hand sanitizer must be used upon entry to the arena. It is recommended that participants also carry hand sanitizer with them.

Follow directional arrows and posted signage for flow of traffic. Participants will enter Lambeth Arena through the main entrance and exit through the back of the building.

Showers in the dressing rooms are now open

Outside food and drink are permitted
